4. AFS-USA will be a well-managed volunteer organization.

The National Volunteer Assembly of AFS-USA will endeavor to promote and continue the work and spirit, and to perpetuate the ideals of AFS Intercultural Programs (AFS).

The National Volunteer Assembly (NVA) is the decision making body for volunteer-based program operations and governance of AFS-USA. The National Volunteer Assembly delegates will work together in an environment of shared responsibility and accountability in the delivery and support of our mission, programs and core volunteer development principles. In certain instances, unaffiliated chapters or area teams may receive a delegate (though they do not meet the 40 minimum participant total). The delegate list will be submitted to the National Council for review and approval prior to official communications to the unaffiliated chapters and area teams.

Once delegate participation numbers are determined and announced, area teams and unaffiliated chapters with representation have four weeks to confirm their attendees. All unused delegate spaces will then be made available to volunteer groups in AFS who are not already represented at the NVA.
