EXPERIENCE FULL IMMERSION

The Congress-Bundestag Youth Exchange (CBYX) program provides full scholarships for an academic year immersion experience in Germany. As a CBYX participant, you will gain new perspectives on global current affairs and German social, economic and political life. You will learn the German language through immersion in the culture at school and at home. When you return after 10 months abroad, you will have a greater sense of independence, empowerment, and global citizenry. You will make friendships through a shared experience that will last a lifetime, and you will become a true member of another culture.

JOIN AN ELITE COMMUNITY

CBYX is jointly funded by the U.S. Congress and the German Bundestag, and in the U.S. is overseen by the U.S. Department of State's Bureau of Educational and Cultural Affairs. Initiated in 1983, the CBYX program was created to strengthen ties between Germany and the United States through citizen diplomacy. Over 20,000 students have prepared themselves for success in an increasingly global world by participating in the CBYX program. As a CBYX alum, you will receive benefits through entry into the U.S. Department of State alumni community.
