As part of the Organizational Study in 2007, an online survey was conducted to assess volunteer diversity. According to the Online Volunteer Survey Results - September 2007², 49% of our volunteers hold a graduate or professional degree and 46% live in towns/cities with a population less than 50,000.

Volunteer Development Goal that relates to diversity: increase the number of volunteers under age 40 by 100/year. Currently 24% are 40 and under.

¹ Based on Global Link export, Feb 12, 2010

² There were over 1120 surveys completed by August 31, 2007, which was over 20% of registered volunteers.
