

The Benefits of Studying Abroad Last A Lifetime

Learn more - Join an Online Parent Info Session

Your teen recently expressed an interest in studying abroad with AFS. This is an experience that will help to prepare your high schooler for living and working in a global community with benefits that can last a lifetime.

High School students who choose to study abroad are generally:

- Better positioned to secure college scholarships
- Well above-average in their second-language proficiency.
- Better able to utilize leadership skills and problem-solving skills to advance academically and professionally.

Join an Online Parent Info Session to learn more about the AFS experience, including scholarships and support information. This webinar will help answer your questions by connecting you with AFS staff and other interested parents. Go to: www.afsusa.org/parents
