- The Outreach to Education Conference will give AFS volunteers the opportunity to develop a more comprehensive approach to collaborating with schools on issues relating to global understanding.
- Hosting, sending, and curriculum enrichment opportunities will all be considered during this conference.
- Volunteers who participate will be able to meet, socialize, and work with volunteers and staff who are passionate about moving AFS into a new expanded partnership with schools.
- **The objective is to position our local presence in a more strategic way to better align our program offerings to schools' needs, prepare us for growth and deliver our hosting and sending programs more effectively.**
