

Volunteer Brainstorming Activity: What can we do as volunteers?

1. Distribute Post-It notes to all people at the conference.
2. Give everyone five minutes to come up with ideas on what local chapters can do in schools, with volunteers, students, returnees, etc. One idea per post-it.
3. Tell everyone to stick the post-it notes on a wall and group them into topics them however they think is most appropriate.
4. Break volunteers into groups and give each group a topic for them to develop/discuss. Allow 20 minutes.
5. Have one member of each group present findings to large group.
