## Become an AFS Exchange Student

### The World is Going Global, are you?

High school is the best time to study abroad! With a huge range of programs in more than 40 countries, AFS puts the world in your hands. From slurping soba in Japan to perfecting your Spanish in Costa Rica, take your studies and yourself to a whole new level. There are year and semester programs, and all kinds of summer experiences. Gap programs, too.

Scholarships are available, but apply early.

Transform the norm.
